## **Executive Summary**

---

The Service Authority for Freeways and Expressways operates and maintains the emergency motorist aid call boxes in San Benito County. The agency was formed in 1998 to implement a call box program on the State Highways within the County. There are a total of 36 call boxes installed on Highways 25, 101, 152, and 156. In 2011, the agency installed an additional 4 call boxes in the remote area of Panoche Road.

The Department of Motor Vehicles collects \$1 per registered vehicle in San Benito County to fund the program. A Five-Year Strategic Plan was developed in 2009 to provide direction on the emergency motorist aid system for the next five years. Since that time, the Authority has been working on the implementation of the Strategic Plan.

The Service Authority for Freeways and Expressways total budget for FY 2015/2016 is \$46,902.

There was a slight increase in the total amount of the Authority's budget from FY 2014/2015 to FY 2015/2016. There was a slight increase in Personnel and a slight increase in Services & Supplies.

### ***Goals and Objectives***

The Service Authority for Freeways and Expressways goals are to implement the 5-Year Strategic Plan and upgrade the emergency call box program as needed, implement approved service options from the 5-Year Strategic Plan, and ensure that existing emergency call boxes are maintained in proper working order. The Service Authority for Freeways and Expressways also works with Caltrans and the California Highway Patrol to continue call box operations.
