Executive Summary

The Service Authority for Freeways and Expressways operates and maintains the emergency motorist aid call boxes in San Benito County. The agency was formed in 1998 to implement a call box program on the State Highways within the County. There are a total of 36 call boxes installed on Highways 25, 101, 152, and 156. In 2011, the agency installed an additional 4 call boxes in the remote area of Panoche Road.

The Department of Motor Vehicles collects \$1 per registered vehicle in San Benito County to fund the program. A Five-Year Strategic Plan was developed in 2009 to provide direction on the emergency motorist aid system for the next five years. Since that time, the Authority has been working on the implementation of the Strategic Plan.

The Service Authority for Freeways and Expressways total budget for FY 2017/2018 is \$66,001.

There is an increase in the total amount of the Authority's budget from FY 2016/2017 to FY 2017/2018 due to the new Call Box Maintenance and Improvements contract with CASE System.

Goals and Objectives

The Service Authority for Freeways and Expressways goal is to ensure that existing emergency call boxes are maintained in proper working order. The Service Authority for Freeways and Expressways also works with Caltrans and the California Highway Patrol to continue call box operations.
